SUMMARY

Machine Learning Engineer with hands-on experience in Python, Scikit-learn, PyTorch, and Computer Vision. Skilled in machine learning model development, object detection, dataset annotation and labeling, data preprocessing, and model evaluation. Experienced in preparing high-quality datasets and developing AI solutions for real-world applications.

EDUCATION

Bachelor of Computer Science 09/2023 – Present
Egyptian E-Learning University (EELU) Egypt

PROFESSIONAL EXPERIENCE

Machine Learning Intern 06/2026 – 08/2026
CodeAlpha Online

- Developed and evaluated ML models using Python and Scikit-learn, applying preprocessing, EDA, feature engineering, and classification to real-world datasets.

PROJECTS

ExamGuard — AI-Based Examination Monitoring System 2026 – Present
Computer Vision | Object Detection | Dataset Annotation
Annotating Computer Vision datasets for examination monitoring, supporting object detection, pose estimation, tracking, and suspicious activity detection.

Credit Scoring Model — Machine Learning 08/2026 – 06/2026
Machine Learning | Classification | Data Preprocessing
Developed a credit-risk classification model using data preprocessing, feature engineering, model training, and performance evaluation.

SKILLS

Python & Machine Learning
Python, NumPy, Pandas, Scikit-learn, Data Preprocessing, Classification, Model Evaluation

Computer Vision
OpenCV, Object Detection, YOLO, Image Processing, Bounding Boxes

COURSES

Machine Learning & Artificial Intelligence 07/2026 – 09/2026
Information Technology Institute Sohag / Egypt
Machine Learning Fundamentals and Data Preprocessing , Feature Engineering Model Training ,Model Evaluation ,Python for Machine Learning

Computer Vision & Object Detection 07/2026 – 12/2026
Depi Online
Computer Vision Fundamentals ,YOLO ,Object Detection,Bounding Boxes ,Pose Estimation ,Object Tracking ,Dataset Annotation

CERTIFICATES

Microsoft Certified
Azure AI Fundamentals

Microsoft Security

- Compliance, and Identity Fundamentals (SC-900)

LANGUAGES

Arabic
Native

English
good
